PROPOSAL SUBMITTED TO Andrew Engebretson		PHONE 603-812-5424	DATE August 14, 2024
STREET 78 Perkins Road		JOB NAME ae.engebretson@gmail.com	
CITY, STATE and ZIP CODE Madbury NH 03823		JOB LOCATION Install year 2025	
ARCHITECT	DATE OF PLANS	JOB PHONE	
		New Septic System for ADU at Barn	

We hereby submit specifications and estimates for:

System Design: Dig test holes; design a new **2-bedroom** Stone & Pipe or Eljen Septic System with all town, county, and state approvals; file all necessary paperwork; arrange for all required inspections. We will pay for all required permits, filings, fees, and inspections. The duration of this work can usually take 3-6 weeks. Acceptance of this proposal gives Contractor permission to sign said permits and applications on the customer's behalf.

Install New System: Install new Septic System in accordance with the new state approved septic system design. Price includes installing septic tank in accordance with new plan. ***Please note:** if a sewer ejection pump is needed, will be an additional charge of \$4,500. We will know once test pits are dug for the new design. Will include pump and wiring of pump. **If applicable, not responsible for any part of sprinkler system. It will be Customer's responsibility to reach out to their irrigation company. If applicable, not responsible for any part of dog fence.)**

Restoration of Disturbed Areas: All grass areas disturbed by this project will be graded, loamed, raked and seeded, using top quality material. Once the seed is down, it is the homeowner's responsibility to ensure growth. Please see enclosed letter regarding care of newly seeded area. The results are not guaranteed by this company.

System Installation: The estimated elapsed time from the start of excavation work until the job is completed in 2-3 days. Both the Contractor and Customer acknowledge that the nature of the work is weather dependent and poor weather conditions could result in a somewhat longer period for completion of the work.

Warranty: All work and materials are warrantied for a period of 10 years from the completion of the job provided septic tank is pumped once every 2 years. **Warranty is void if there is grease present in the system.** (If applicable: effluent pumps are limited to manufacturer warranty only.) Backwashing of a water softener system into the septic system will void the warranty.

Use of Heavy Equipment: The trucks and equipment used during installations are very heavy and may cause damage to paved driveways. We will take every precaution to limit damage such as laying down plywood to minimize impact; however, we are not responsible for any damage should it occur. Does not include repaving if any damage does occur.

We Propose hereby to furnish material and labor - complete in accordance with above specifications, for the sum of:

Twenty-five thousand **25,000.00** ***See note**
dollars (\$).

Payment in full immediately upon completion. A late fee will be assessed weekly if final payment is not received within 7 days of completion. ***There will be additional fees, 3.5% applied to any credit card charges.**

www.eppingandexeterseptic.com **Member of NH Better Business Bureau**

All material is guaranteed to be as specified. All work to be completed in a workman like manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado, and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.
