Re: Jess Gangwer notification

Dear Mr. Sterndale,

The public hearing notification by certified mail for the two lot subdivision on the east side of Evans Road contained an erroneous address for the one of the intended recipients, Mr. Jess Gangwer.

We understand that fact, and have a sign off from Mr. Gangwer below, that he was in fact apprised of the subdivision prior to the hearing in person by myself, and subsequent to the matter coming to light. He has copies of the subdivision and has spoken to the surveyor.

I Jess Gangwer of 105 Perkins Road, Madbury NH 03823 was apprised of the Dane Evans subdivision as presented by Garvey & Company Ltd on June 1, 2011 before the Madbury Planning Board. I have no objections to the subdivision and acknowledge notice.
