Official Business

December 4, 2019

Dear Applicant:

You are hereby notified that the Madbury Planning Board will consider your application for a wetland crossing Conditional Use Permit (CUP) as indicated below.

Applicants: Normandeau Associates, representing Eversource Energy.

Property: Madbury Substation, Tax Map 8, Lot 20, Miles Road, Madbury NH.

Proposal: Create a temporary wetland crossing in support of utility maintenance at the Madbury Substation. Maintenance is required on manual switch J5280 on pole 5280/1, about 120 feet east of Madbury Station's fence. The pole is in wetland and will require matting for access by a Line truck. Access also overlaps with the 25 foot wet areas conservation district buffer and the 50 foot poorly drained soils buffer.

The application will be considered on the following:

Wednesday, December 18, 2019 at 7:00 p.m.

Madbury Town Hall, 13 Town Hall Road, Madbury, NH

If the application is found complete and meets the standards of the regulations, it will be accepted for consideration and a public hearing on the matter will follow.

Documents relevant to this application can be viewed at the Town Hall or online at www.madburynh.org/pb under "Applications: "Eversource CUP 2019."

Sincerely
