Eversource Substation, 6 Miles Lane, Madbury NH

In accordance with the Town of Madbury's Zoning Ordinances, Article IX, Section 4.C and Article IV, Section 9 dated March 2017, the Madbury Planning Board, at its 18 December 2019 meeting, approved this CUP.

This CUP is granted for utility maintenance at the Madbury Substation on manual switch J5280 on pole 5280/1, about 120 feet east of Madbury Station, which is located in wetland and requires access through 25 foot wet areas conservation buffer and the 50 foot poorly drained soils buffer. Maintenance is to be accomplished using Best Management Practices as delineated in the Normandeau Associates, representing Eversource Energy, CUP application and Public Hearing.

This CUP is subject to the following conditions: Expires 31 March 2020.

A handwritten signature in blue ink, appearing to read "Mark A. Avery", is written over a horizontal line.
