PUBLIC NOTICE

The Madbury Planning Board will consider an application for a

**Wetland Crossing
Conditional Use Permit (CUP)
For
Eversource's Madbury Substation**

under the Ordinances and Regulations of the Town of Madbury on

Wednesday, December 18, at 7:00 pm,

Madbury Town Hall, 13 Town Hall Road, Madbury NH.

Normandeau Associates Environmental Consulting, representing Eversource Energy, presents this application for the Madbury Substation, Tax Map 8, Lot 20, Miles Road, Madbury NH.

The applicant proposes a temporary wetland crossing in support of utility maintenance at the Madbury Substation. Maintenance is required on manual switch J5280 on pole 5280/1, about 120 feet east of Madbury Station's fence. The pole is in wetland and will require matting for access by a Line truck. Access also overlaps with the 25 foot wet areas conservation district buffer and the 50 foot poorly drained soils buffer.

Please note that this maintenance is not part of the Seacoast Reliability Project.

If the application is found complete and meets the standards of the regulations, it will be accepted for consideration and a public hearing on the matter will follow.

Documents relevant to this application can be viewed at the Town Hall or online at www.madburynh.org/pb under "Applications: "Eversource CUP 2019."
