RE: 316 Durham Rd., Madbury, NH

Dear Sir:

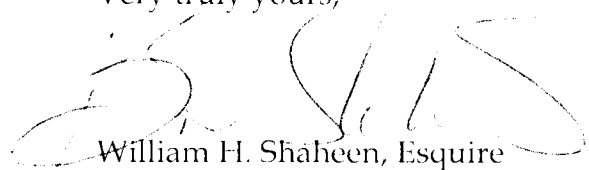

Please be advised that I have been notified by David Greenshields of the September 19, 2012 hearing scheduled for the above-referenced property for which I am the owner of record.

I fully support Mr. Greenshields request to change the non-conforming use to use as a daycare facility. As you may be aware, this property was used as a daycare for a period of 7 years. I have reviewed the plans for renovation to the site, most of which I am funding. This property has been used as commercial property for the past 70 years. I believe the groundwork and renovations that will occur will benefit the surrounding neighbors as well as the Town.

I will be in Louisiana on September 19, 2012, but if need be I can reached via telephone. My cell number is 603-361-5500.

Thank you.

Very truly yours,

William H. Shaheen, Esquire
