To Whom It May Concern,

This letter is being written in support of the modifications being made related to the Lee Road Apartment Complex. I have been in discussion with the Madbury Fire Chief regarding the current plan for traffic flow and the closure of Route 155 driveway for tenant access. I am aware that the Route 155 driveway will remain available for emergency vehicle access only. I have no objections to the current plans related to the Lee Road Apartment Complex.

If you have any questions, feel free to contact to me.

Sincerely,

Chief Joseph E. McGann Jr.
