Dear Attorney Durbin,

I just wanted to provide you with a quick note responding to your letter of January 18, 2022. I believe you also received this information at the recent Madbury Planning Board meeting on Wednesday, February 2, 2022.

The Madbury Board of Selectmen did some research and made a consultation regarding your inquiry as to whether the Selectmen have the authority to enter into an agreement clarifying and confirming access to Map 8 lot 26. The Selectmen are of the opinion that they do have such authority without an approval at Town Meeting.

Sincerely,

Eric Fiegenbaum
Administrator, Town of Madbury
