

Dear Madbury Planning Board,

I am writing this letter in support of the proposed expansion of apartment buildings at 10 Lee Road in Madbury (Tax Map 8, Lot 9). I strongly believe this project would benefit the town and will be excellent for the tax base. I am confident that the proposed site has adequate set back and will not change any characteristics of the current neighborhood, as well as the town's overall master plan.

Sincerely,

Alex O'Connell
