## **EMPLOYEE-OWNED**

Our 100% employee-owned team is made up of engineers from Brown, Dartmouth, MIT, UMaine and UNH. Our professional solar technicians carry NABCEP certifications and have state electrical and plumbing licenses.

## **VALUE**

We install more solar than anyone in Northern New England, which means we can pass volume savings on to you. We only install the highest quality components so you get the very best value for your renewable energy dollar.

## **SERVICE**

We are a full-service renewable energy company offering design, installation, sales, and the best customer service in the business. We back our installations with a workmanship guarantee above industry norms and provide customers with a 24 hour emergency number.

## **COMMUNITY**

ReVision Energy is committed to making a difference in the communities in which we work and live. We donate our time and resources to schools and nonprofits with a passion to create a sustainable future for coming generations.

## **PROUD TO BE A CERTIFIED B CORP**

B Corps are for-profit companies certified to meet rigorous standards of social and environmental performance, accountability, and transparency. As a B Corp, we join more than 1,300 like-minded businesses worldwide who all agree that business can and should be a force of positive change.
