

**INVITATION TO BID**  
**Town of Madbury, New Hampshire**  
**Nute Road Bellamy River Crossing Replacement**

Sealed proposals for the Bridge Replacement over the Bellamy River at Nute Road in Madbury, New Hampshire will be received by the Town of Madbury ("the OWNER") at the Town Office, 13 Town Hall Road, Madbury, New Hampshire, 03823 until **2:00 pm, March 4, 2021**. Bids received after the specified time will not be accepted.

The project is located 0.4 miles south of the Barrington town line on Nute Road in the Town of Madbury, New Hampshire. The project begins approximately 175 feet south of NHDOT Bridge No. 056/072 and continues north through the bridge approximately 400 feet. The project consists of removal and replacement of an existing corrugated metal pipe (CMP) arch spanning the Bellamy River with a precast concrete butted deck beam structure founded on concrete abutments with concrete footings. At the structure, the channel will have a natural stream bed with riprap channel protection along the banks. The project includes installation of the bridge structure, reconstruction of the paved roadway with profile and alignment adjustments, installation of guardrail, slope protection, and other ancillary approach work.

Plans and specifications may be viewed at the offices of:

- (1) Construction Summary of New Hampshire, 734 Chestnut St, Manchester, NH 03104
- (2) Associated General Contractors of NH, 48 Grandview Rd, Bow, NH 03304

Electronic PDF copies of the Contract Documents may be obtained from CMA Engineers by emailing [asimpson@cmaengineers.com](mailto:asimpson@cmaengineers.com) or [lkalloch@cmaengineers.com](mailto:lkalloch@cmaengineers.com).

Bidders will be required to furnish a bid bond in the amount of 5% of the total bid, and the successful bidder will be required to furnish a Performance Bond and a Payment Bond each in the amount of 100% of the Contract Price. Work is anticipated to commence by June 23, 2021. Substantial Contract completion date shall be October 11, 2021. Final Contract completion date shall be November 10, 2021.

An optional pre-bid conference will be held at the project site on **February 18, 2021 at 10:00 am**. Representatives of the Owner will be present to discuss the Project. Addenda, as considered necessary by the Owner, will be transmitted in response to questions arising at the pre-bid conference. Oral statements made at the pre-bid conference may not be relied on and will not be binding or legally effective.

All individuals, firms, partnerships, or corporations intending to bid **must be prequalified with the New Hampshire Department of Transportation for Bridge Construction**. Prequalification must be established no less than three days prior to the bid date.

The Owner reserves the right to waive any informalities in any or all proposals, to reject any or all proposals, or accept any proposal submitted for the project, as deemed by the Owner to be in its best interests based upon qualifications, experience, demonstrated ability to perform, cost, and other factors deemed by the Owner to bear on the successful outcome of the Contract.
