Dear Neighbor,

The City of Portsmouth is in the process of applying for a Critical Infrastructure Grant to extend the fencing at the Madbury Water Treatment Plant on Freshet Road. Mr. Brian Goetz, the Deputy Director of Public Works, will be joining the Madbury Planning Board at the Town Hall on Wednesday, November 5 at 7:00 PM, to provide details and answer questions. As a neighbor of the Water Treatment Plant, you may be interested to hear his remarks. If so, please join us.

Regards,

Fritz Green  
Chairman  
Madbury Planning Board
