Subj: Update to Vision Chapter of Master Plan

I have reviewed the results of our most recent community survey as well as the current "vision" chapter of our Master Plan. I do not see any issues which would indicate a need for an update to our "vision".

The survey results can be seen online at [www.madburynh.org/Survey](http://www.madburynh.org/Survey).

The PDF version can be invoked at [www.madburynh.org/show\\_mpb\\_documents.php](http://www.madburynh.org/show_mpb_documents.php).  
Click on "Survey Final Report" in the lower left under the heading "Master Plan".
