PUBLIC NOTICE

The Madbury Planning Board will conduct a Public Hearing
to consider proposed changes to

Zoning Ordinances **Article IX-A, Aquifer and Wellhead Protection District**

On Wednesday, January 6, 2021 at 7:00 pm,

Madbury Town Hall, 13 Town Hall Road, Madbury NH.

The purpose of the Article is to protect water resources in Madbury and to provide protections for this essential resource from risks associated with adverse land use and development.

Proposed changes further these goals by (1) clarifying the overall language and organization of the ordinance and by (2) correcting legally dubious rules regarding public water supply wells in the existing ordinance.

Public participation and comment are welcomed. State Covid-19 safety restrictions will be in effect for this meeting.

For in person participation email the Board at MadPlanBoard@gmail.com as seating will be limited.

For Online Zoom participation information will be posted to the Town's website <http://www.townofmadbury.com/> under the "Public Notices" tab.

Documents relevant to this meeting can be viewed at the Planning Board website http://www.madburynh.org/show_pb.php under the "Meetings" tab and then at the "2021-01-06 Handouts" link.

This notice will be updated as Zoom information becomes available.
