

Site Plan Regulations,  
Article VI, Submission Requirements  
Update  
Public Hearing Draft: 5 May 2021

**Purpose:**

Update Site Plan Regulation submission requirements to improve the accuracy and thoroughness of initial applications and of their processing. This is information that must be provided on the site plan and or on accompanying documents.

**Proposed Changes:**

Add a new section:

W. All Zoning District(s), Overlay District(s) and associated dimensional standards affecting the site plan, shown on the plan and listed in the notes section of the plan.

Add a new section:

X. All applicable Conditional Use Permits, Variances, and Special Exceptions to be listed in the notes section of the plan.
