Julie McCabe  
Jack Mettee

The members approved the minutes of the meeting of 2016-10-12.

The committee reviewed two documents submitted by member Mettee:

- A. *Memo-Agritourism-10-28-16.doc* and
- B. *Proposed Zoning for Agritourism 10-27-16.doc*.

Several options outlined in these documents were discussed as requirements for any application for an agritourism activity.

1. Require a Site Plan Review (SPR);
2. Require an SPR with new language (see note 5 of 5 in document B above);
3. Require an SPR plus a Conditional Use Permit (CUP);
4. Require an SPR with new language plus a CUP.

The committee ultimately agreed to recommend option 1 to the Planning Board.

Respectfully Submitted,  
Fritz Green
