Everett Day	Term expires March, 1960

There was not a great deal of building in the town of Madbury during the year 1957.

One complaint of house being erected reported said building was in Madbury. Upon investigation by the directors of the Building Code, we learned that the building in question was just over the Town Line in Durham.

We believe that one reason for lack of building in our picturesque and historic little town, is the enormous tax rates we are now experiencing.

We sincerely hope that, in time, this will rectify itself. We have experienced the utmost in cooperation thus far.

REPORT OF FIRE DEPARTMENT

December, 1957 marked the tenth anniversary of the incorporation of the Madbury Volunteer Fire Department. In ten years we have progressed from just an idea to an active department, composed of the basic truck supplied by the town, two portable pumps, and forestry equipment for thirty men.

The past year has seen the Pacific Marine Portable Pump reconditioned, the addition of two 275 gallon auxiliary tanks for use with our portable pumps as supplementary tank units.

In an effort to improve our communications, a two way radio has been purchased through Civil Defense, with Fire Department funds, and will be installed for use this spring.

The knowledge of fire fighting techniques for our personnel has been increased through training meetings and attendance at the New Hampshire Fire Chief's Club annual Fire School.

Among the activities of the Department are, the recording of training with actual fire, on color slides, and production of a short movie illustrating the use of our equipment.

Activities for fellowship and fund raising were, a "Lamb Roast" at Col. Putney's, Chicken barbecue and suppers at the station, and a raffle.

For the protection of personnel, the Department purchased an Accident Insurance and it is hoped the townspeople will provide funds for its renewal at Town Meeting.

I wish, personally, to thank all those who have cooperated with the Fire Department, and invite those who can to join us in improving the Fire Forces of the Town of Madbury.
