HAROLD S. JONES,

ELOI A. ADAMS,

GEORGIA ARMITAGE,

Trustees.

This is to certify that we, the undersigned, have audited the books of the officers of the Town of Madbury, for the year ending December 31, 1961 and find them correct to the best of our knowledge.

JOHN KELLY,

ELEANOR E. EVANS,

Auditors.

FIRE DEPARTMENT REPORT

To the Citizens of Madbury:

The Madbury Fire Department has been active through the past year, striving to maintain its fire fighting potential, and to improve the fire station.

The main effort for the past six months has been in finishing the meeting room above the truck stalls. The room, which is 90% finished, is 16 x 32 feet, with three windows in the dormer. There is provision for a flush toilet and lavatory to be added at a future date. The floor is plywood, the walls of knotty pine sheetrock, and the ceiling of celotex tile. The cost of the addition is \$1100 from the town, \$400 of Fire Department funds, and over 250 hours of volunteer labor. This room will be available for Town Officers' meetings, and other town groups, as well as Fire Department meetings.

It is planned to have an Open House at a future date so all may have an opportunity to inspect our improved quarters.

Our fire fighting equipment is in good condition. While there are some improvements that would be desirable, our most pressing needs are, the annual addition of hose, and more volunteers.

Our thanks for your cooperation in the past year, and if you cannot be a fire-fighter you can help us by:

1. Proper care of your heating and electrical appliances.
2. Have your incinerator conform to our regulations.
3. Obtain a permit for outdoor fires.
