HISTORICAL MEMORIAL

On December 13, 1996, several persons gathered on the Madbury Town Common to witness the dedication of a Silver Maple Tree to honor Madbury's Major John Demeritt. The 1st New Hampshire Militia from Newmarket conducted the ceremony and celebration to commemorate the 222nd anniversary of an event in Madbury's history. Following are the words of Donald Sumner as presented during the services. They include an account of the actions taken by Major Demeritt and the results of his heroic deeds.

"In 1774 the British Parliament passed an act prohibiting the further importation of gun powder and military stores into the colonies.

The Sons of Liberty in Boston learned that the British Commander in Boston was dispatching the Frigate "Scarborough" and the "Sloop Cansean" with several companies of soldiers to reinforce the Garrison at Fort William and Mary in Newcastle.

They dispatched Paul Revere to alert the local Sons of this plan and on the afternoon of December 13, 1774, Revere arrived at the home of Maj. Sullivan in Durham to inform him of the British Plan. Revere then rode on to Portsmouth.

Militia's ranking officer Donald Sumner recounts events of December 13, 1774. Photos courtesy of Tri-Town Transcript.

We have the following first-hand account of Eleazar Bennett of Durham as to the Events that followed:

‘I was working for Major Sullivan he says, when Micah Davis came up and told me Major Sullivan wanted me to go to Portsmouth, and to get all the men I could to go with him. The men who went, as far as I can remember, were Major John Sullivan, Captain Winborn Adams, Ebenezer Thompson, John Demeritt, Alpheus and Jonathan Chesley, John Spencer, Micah Davis, Isaac and Benjamin Small of Durham; Ebenezer Sullivan, Captain Langdon and Thomas Pickering of Portsmouth; John Griffin, James Underwood and Alexander Scammel. We took a gondola belonging to Benjamin Mathes, who was too old to go, and went down the river to Portsmouth. It was a clear, cold moonlight night. We sailed down to the Fort at the mouth of Piscataqua Harbor. The water was so shallow that we could not bring the boat to within a rod of shore. We waded through the water in perfect silence, mounted the Fort, surprised the Garrison, and bound the captain. In the Fort we found one hundred casks of powder and one hundred small arms, which we brought down to the boat. In wading through the water it froze upon us.’

The powder thus obtained from the raid was stored in Durham and at the Demeritt Farm in Madbury. The next mention of the powder occurs in an account of the Battle of Bunker Hill in July 1775.

There was a great shortage of ammunition in the Continental Army encamped in Cambridge during the siege of Boston Harbor. There were reported to be only 63 barrels of gunpowder on hand after collecting all that could be obtained north of Delaware.

During the closing minutes of the battle, when Prescott ordered the retreat, his men had only a single round of ammunition left.

It was only thru the efforts of Stark’s men on the Americans’ left flank opening up a fierce fire into the ranks of the advancing Welsh fusileers that prevented the complete rout and capture of the American force.

In the account of one historian, “Total disaster was averted by the arrival, in the nick of time, of 60 barrels of powder from Durham, N.H. which were brought by ox cart from Durham, N.H. by John Demeritt of Madbury, N.H.

Maj. Demeritt followed the road from Durham through Newfields to Exeter and thence to Haverhill, MA and Medford where the American Troops were camped as a consequence of the battle, the Americans were able to continue

the siege which led to the eventual departure of the British troops from Boston: never to return.

It seems appropriate, on this the 222nd Anniversary of the events at Fort William and Mary, to pause and give thought to some of the similarities between the attitudes prevailing among those early patriots and many Americans, today.

These men were very dissatisfied with their government and their inability to have their collective voices heard by those in the seat of government a great distance away. They felt that their freedoms and rights as British subjects were being abused. There was a strong movement sweeping the colonies to throw off the burden of their oppressive government for one that would give them, as individuals, more say in how they were governed. They felt so strongly that they did not hesitate to perform acts of rebellion when the time came and they were called upon to 'put their money where their mouths were'.

We hear talk today from some who argue that here in the United States the situation is becoming as intolerable as it was in 1774 and that perhaps we should follow the example set by the early patriots.

We should, instead, most emphatically, understand that there are fundamental and overriding differences that exist today and were not present during the time of the Revolution against British rule.

We are able to achieve the redress of our grievances against those who govern us because we have the protection of our constitution, the bill of rights and most importantly, we have access to the ballot box which gives us the power to vote on the issues and candidates that we feel offer the best solutions to our problems.

As long as we have the right to publicly express our opinions in peaceful assembly or by the printed word and have the opportunity to convince others to join us at the voting booths to further our cause, then there will never be the need to even consider the possibility of taking up arms against our Government. Rest assured, however, if apathy or discouragement prevails and we do not participate in the Democratic process, we will have no one to blame but ourselves when the lamp of freedom dims.

Should we choose to ignore our civic responsibilities, we dishonor the sacrifices and memory of those such as Maj. Demeritt and the thousands of others at the time of the American Revolution and all the battles since who risked their lives, their personal honor and their fortunes to achieve and protect the individual freedoms which we enjoy, today. Thank you."

Musket volley and cannon roar to commemorate the spirit of the Militia as the colonists prepare for revolution. Photos courtesy of Tri-Town Transcript.

RECORD OF TOWN MEETING
March 12, 1996

The Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, was called to order at 1:00 p.m. by Moderator Donald W. Melvin. The polls were declared open and the following Ballot Clerks were sworn in by the Moderator.

Diane Hodgson Mary Ellen Duffy Carleton Wentworth

Moderator Donald Melvin called the evening session of the Annual Meeting to order at 7:30 p.m. The assembled citizens (approximately one hundred) stood for a moment of silence for those Madbury residents who died during 1995. They included:

John W. Printy	Willard N. Sanders
Ethel B. Hayes	Elizabeth Bradley
C. Lane Carpenter Goss	

Everyone joined in reciting the Pledge of Allegiance.

Diane Hodgson called everyone's attention to the "new" Town Clerk's desk at the front of the hall. The desk was the schoolmarm's desk at the Madbury Center School (now the Madbury Fire Station) and almost went to the landfill. Bob Hodgson rescued it, Gail Houghton refinished it and it's now a lovely and useful addition to our Town Hall. The school handbell from the same school was recently given to the Madbury Historical Society by a former resident and was used tonight by Moderator Melvin to call the meeting to order.

ARTICLE 1. The following Town Officers were elected by ballot:

Moderator for the ensuing two years . . .	Donald W. Melvin
Selectman for the ensuing	
three years	Bruce E. Hodsdon
Treasurer for the ensuing one year	Kathleen K. Traut
Trustee of Trust Funds for the ensuing	
three years	Katherine H. Morong
Supervisor of the Checklist	
for the ensuing six years	Jeanne Bartell
Supervisor of the Checklist	
for the ensuing four years	Catherine M. Acerra
Auditors for the ensuing one year	Betsy J. Booth
	and Barbara G. Houston
Cemetery Trustee for the ensuing	
three years	Carleton M. Wentworth

(Sample ballot on file)

ARTICLE 2. Richard Burkholder moved and Barbara Houston seconded a motion to authorize the Selectmen to choose all other Town Officials. PASSED

ARTICLE 3. Richard Houghton moved and Joan Schreiber seconded a motion to raise and appropriate up to the sum of Ninety Thousand Dollars (\$90,000.00) for the purchase and development of the Walter and Geraldine Estes property (Map 7 Lot 14) located at 9 Town Hall Road and to further authorize the Selectmen to issue and negotiate such bonds and notes in the amount of Sixty Thousand Dollars (\$60,000.00) over the next two years. The balance of Thirty Thousand Dollars (\$30,000.00) is included in the posted budget. This appropriation is recommended by the Board of Selectmen.

Selectman Houghton explained that the Selectmen had signed a purchase and sales agreement on the Estes property in November 1995 when it came back on the market. Three reasons for the Town's interest in acquiring this property are: (1) the land's proximity to the Town Hall and recreation fields (it's already in the Civic Zone); (2) the well is an excellent source of water; and (3) the lot is a natural trail head to the extensive trail system behind the Town Hall. Mr. Houghton emphasized that the Selectmen have no firm plans for the use of this property. There are many options for its use which will be explored by Town Boards and citizens. Public hearings will be held before anything firm is done with the property. Selectman Jay Moriarty explained that paying \$30,000.00 in 1996 and financing \$60,000.00 over two years would not raise taxes this year. He reminded voters how Madbury's town portion of the tax rate has been stable for six years. Planning Board Chair Lori Chase and Conservation Commission Chair Craig Seaver both spoke in favor of purchasing the Estes property. Following a few queries and one dissenting comment, a vote was taken at 8:00 p.m. PASSED

ARTICLE 4. Robert Wilson moved and Joan Sundberg seconded a motion to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1994 Town Meeting for the purchase of a fire truck and further to authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. This appropriation is recommended by the Board of Selectmen and is included in the posted budget.

Selectman Moriarty explained that we currently have approximately \$20,500.00 in this Capital Reserve Fund and that the Town is merely trying to set aside money to purchase a new fire truck when it becomes necessary. There were no questions or comments so a vote was taken. PASSED

ARTICLE 5. Jay Moriarty moved and Eileen Corrow seconded a motion to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1995 Town Meeting for the Purpose of reconstructing the intersection of Freshet Road and State Route 108 and further to authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. This appropriation is recommended by the Board of Selectmen and is included in the posted budget.

Selectman Moriarty explained that although the Town was originally planning to save money for three years before tackling this major road project, the opportunity to do the job may indeed be this year. A gas pipeline from Dover to Durham/UNH along Route 108 is probably going to happen this spring or summer. There is a good possibility the Town's project could be done in conjunction with the gas company's work and maybe done even more economically. After a short discussion, all of which favored fixing this ongoing problem, a vote was taken.

PASSED

ARTICLE 6. Selectman Bruce Hodsdon moved and Joan Schreiber seconded a motion to adopt the proposed budget for the current year of \$685,531.00. A few questions regarding monies spent for household hazardous waste collection and welfare were asked.

With no further discussion a vote was taken. PASSED

ARTICLE 7. Craig Seaver moved and Robert Wilson seconded a motion to retain the unexpended portion of the 1996 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund.

There was no discussion. A vote was taken. PASSED

ARTICLE 8. Bruce Hodsdon moved and Jim Davis seconded a motion to authorize the Selectmen to receive in the name of the Town, a title deed for the road as shown on the Final Plan of the Moriarty subdivision and recorded at the Register of Deeds, Strafford County as Plan 42-22.

Mr. Hodsdon explained that the road was mostly up to Town standards and had been paved last fall. Selectmen Houghton and Hodsdon will be checking its condition this spring before accepting it for the Town. No discussion. PASSED

ARTICLE 9. Cemetery Trustee Alfred Grimes referred everyone to the Trustees' Report in the Annual Town Report for their most recent activities. He encouraged people to come forth with any ideas or suggestions for further plantings or development of the cemetery.

New Fire Chief Arthur Anderson strongly advised residents to put 3 or 4 inch numerals on their house or mailbox or sign at the end of their driveways. This definitely helps find houses in the event of an emergency.

ARTICLE 10. Ken Wolcott announced that there would be an organizational meeting for Madbury Day 1996 on March 18th at the Fire Station. New people are needed for planning and working at Madbury Day this year.

Kitty Cornwell reminded everyone that the Community Club was sponsoring another town pot luck supper on Sunday, April 14th at the Moharimet School.

Selectman Dick Houghton thanked folks who distributed this year's Town Reports. He recognized retiring Fire Chief Ken Wolcott after 17 years of dedicated service to the Town. He congratulated Carl Wentworth on his 80th birthday today, and noted Wentworth's 50 years of service as a Town election official. All present were invited to stay after the meeting for birthday cake, cookies and beverages.

No other business being brought up at this time the Moderator adjourned the Meeting at 8:38 p.m. while the polls remained open until 9:00 p.m. The 115 cast ballots were counted and the meeting was officially adjourned at 9:20 p.m.

Pamela A. Seaver
Madbury Town Clerk

Then came before me, Donald W. Melvin, Bruce E. Hodsdon, Kathleen K. Traut, Barbara G. Houston, Betsy J. Booth, Katherine H. Morong, Carleton M. Wentworth, Catherine M. Acerra and Jeanne Bartell and took their oaths of office as required by law.

Pamela A. Seaver
Madbury Town Clerk

Formally accepted by the Madbury Board of Selectmen on March 25, 1996.

Richard R. Houghton - Joseph B. Moriarty - Bruce E. Hodsdon

**WARRANT FOR SPECIAL TOWN MEETING
MONDAY, JUNE 3, 1996 at 7:00 P.M.**

To the Inhabitants of the Town of Madbury, County of Strafford and State of N.H., qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Monday, the 3rd day of June 1996, at 7:00 p.m. in the evening for the purpose of voting on the following article:

ARTICLE I. To see if the Town will vote to legalize the action taken on Article 3 at the March 12, 1996 town meeting. (2/3 Ballot vote required)

Given under our hands and seal the 13th day of May in the year of our Lord, One thousand, nine hundred and ninety-six.

Selectmen of Madbury, N.H.
Bruce E. Hodsdon, Joseph B. Moriarty, Richard R. Houghton

RECORD OF SPECIAL TOWN MEETING - JUNE 3, 1996

A Special Town Meeting of the Town of Madbury, County of Strafford and the State of N.H., was called to order at 7:00 p.m. by Moderator Donald W. Melvin.

ARTICLE I. To see if the Town will vote to legalize the action taken on Article 3 at the March 12, 1996 Annual Town Meeting. (two-thirds ballot vote required)

Moderator Melvin read the single warrant article and explained that to legalize the action taken on March 12, 1996 a paper ballot must be taken and must pass by a two-thirds margin. There was no discussion. The Moderator declared that the polls would remain open until 7:30 p.m. unless voted otherwise by those present.

YES - 46 NO - 6 PASSED

The Moderator adjourned the Meeting at 7:40 p.m.

Pamela A. Seaver
Madbury Town Clerk

Formally accepted by the Madbury Board of Selectmen on June 14, 1996

Richard R. Houghton, Joseph B. Moriarty, Bruce E. Hodsdon

**WARRANT
FOR
TOWN MEETING**

**TOWN OF
MADBURY, NEW HAMPSHIRE**

MARCH 11, 1997

**WARRANT FOR TOWN MEETING
TOWN OF MADBURY, NEW HAMPSHIRE
March 11, 1997**

To the inhabitants of the Town of Madbury, County of Strafford, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the eleventh day of March, A.D. 1997 at 1:00 in the afternoon for the purpose of voting on Articles 1 through 4 and at 7:30 o'clock in the evening for action on Articles 5 through 16. The polls which open at 1:00 p.m. for the purpose of voting on Articles 1 through 4 will close at 9:00 p.m. unless extended by vote of the meeting.

ARTICLE 1: To choose the following Town Officers: (Majority vote)

A Selectmen for the ensuing three years.

A Treasurer for the ensuing year.

A Trustee of the Trust Funds for the ensuing three years.

A Trustee of the Trust Funds for the ensuing two years.

Two Auditors for the ensuing year.

A Cemetery Trustee for the ensuing three years.

A Supervisor of the Checklist for the ensuing year.

ARTICLE 2: To vote on Amendment No. 1 to the Zoning Ordinance regarding the SAND AND GRAVEL REGULATIONS, as proposed by the Madbury Planning Board. (Majority vote required)

ARTICLE 3: To vote on Amendment No. 2 to the Zoning Ordinance regarding NONCONFORMING USES, STRUCTURES, AND LOTS, as proposed by the Madbury Planning Board. (Majority vote required)

ARTICLE 4: Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town? Petitioned article submitted by 25 or more registered voters. (3/5 vote required)

ARTICLE 5: To choose all other Town Officers (Majority vote required).

ARTICLE 6: To see if the Town will vote to change the purpose of the existing Capital Reserve Fund for the Reconstruction of the Freshet Road/Route 108 Intersection to the Transfer Station Improvements Capital Reserve Fund and to designate the Selectmen as agents to withdraw and expend from this Fund. (2/3 vote required).

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for Transfer Station Improvements. Ten thousand dollars (\$10,000.00) plus accumulated interest to come for the Capital Reserve Fund previously established and Five thousand dollars (\$5,000.00) to be raised by taxes. This appropriation is recommended by the Board of Selectmen and is included in the posted budget. (Majority vote required).

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Fifteen thousand dollars (\$15,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1994 Town Meeting for the purchase of a Fire Truck and further authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. This appropriation is recommended by the Board of Selectmen and is included in the posted budget. (Majority vote required).

ARTICLE 9: To see if the Town will vote to raise and appropriate, and authorize the Selectmen to spend up to the sum of Twenty-two thousand, five hundred dollars (\$22,500.00) to purchase and equip a police cruiser. This appropriation is recommended by the Board of Selectmen and is included in the posted budget. (Majority vote required)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of Five hundred dollars (\$500.00) as a salary for the position of Assistant Fire Chief. This appropriation is included in the Fire Department line of the posted budget and is recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 11: To see what action the Town will take on the proposed Budget for the current year. This budget is recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 12: Shall we modify the elderly exemptions from property tax in the Town of Madbury, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years \$25,000.00; for a person 75 years of age up to 80 years, \$35,000.00; for a person 80 years of age or older, \$50,000.00. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they

must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$20,000.00 or, if married, a combined net income of less than \$26,000.00; and own net assets not in excess of \$100,000.00 excluding the value of the person's residence. (Ballot vote - Majority vote required)

ARTICLE 13: To see if the Town will vote the retention of the unexpended portion of the 1997 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund. (Majority vote required)

ARTICLE 14: To see if the Town will vote to authorize the Moderator to appoint a committee of three members to study and to make recommendations on the salaries of elected Town Officials and Fire and Police Department Chiefs. This committee will report recommendations to the Board of Selectmen prior to 1998 budget preparations. (Majority vote required).

ARTICLE 15: To hear the reports of the Committees chosen and/or Town Boards and Commissions, and act on any motion thereto.

ARTICLE 16: To transact any other business that may legally come before the meeting.

Given under our hands and seal the 10th of February in the year of our Lord, one Thousand Nine-hundred and ninety-seven.

Selectmen of MADBURY, NEW HAMPSHIRE
Bruce E. Hodsdon, Joseph B. Moriarty, Richard R. Houghton

We certify that on the 10th day of February, in the year of our Lord, one thousand nine hundred and ninety-seven, we posted a copy of the Warrant at the Town Hall, Fire Station, and the Town Clerk's Office being three public places in the Town of Madbury, as required by law.

Bruce E. Hodsdon, Joseph B. Moriarty, Richard R. Houghton

Strafford County, SS. Town of Madbury and the State of New Hampshire. Personally appeared before me, the above mentioned Selectmen and took oath to the above statement.

Pamela A. Seaver, Town Clerk
Madbury, New Hampshire

TOTAL REMITTED				\$4,203.00

Robert J. Sheeran, Building Inspector

MADBURY PLANNING BOARD ANNUAL REPORT

During 1996 the Planning Board approved three subdivisions, two of which straddled the Madbury-Durham town lines. Two new lots were created. A Non-residential Site Plan Review was completed for a business in the Commercial District. Another site review for a business in the Residential and Agriculture zone was in progress at the end of the year. The Capital Improvements Plan was finalized early in the year.

In the continuation of the Boards' dialogue about commercial enterprise in Madbury, the board discussed centers of existing and future commercial land use outside the Commercial and Neighborhood Commercial Districts. Matt Nazar of Strafford Regional Planning Commission presented a workshop on planning commercial development for the board and provided other informative material during the year.

The most exciting activity of the board was the acquisition of a digitized composite tax map of the entire town. The board contracted with Strafford Regional Planning Commission (SRPC) to use computer technology to make the map. Because the town already had a composite tax map, one map with all the tax sheets put together at the same scale, the digitizing was relatively straight forward. The main reason for making the digitized map was to be able to combine the information, or data, on it with other information that is available through SRPC and the NH Granit System located at UNH. Adjusting the tax map to fit with the Granit System's base map of Madbury without distorting the parcel shapes was a challenge.

The resulting map can now be linked as a data set too all available data layers in the Granit System as well as other planning data from town records. Each lot is assigned a number corresponding to the tax maps. Then, using those numbers, natural resource data such as streams, wetlands, soil types, vegetative cover, wildlife habitat, gravel deposits, and aquifers can be combined with planning data such as lot size, ownership characteristics, land use, buffers, zoning and abutters lists.

The data set is meant for planning purposes, but it will also have other uses in the future. This new capability includes visual materials for land use planning, resource planning and management for the Conservation Commission, information management for the building inspector and road layout for the road agent. SRPC can continue to provide data management and mapping for the short term. Before long it will be useful to set up a computer work station with user friendly software in the Town Hall.

In other action the board was represented by Joan Sundberg on the steering committee for the Oyster River Watershed Study sponsored by the University of New Hampshire and the NH Coastal Program. Since part of Madbury is in the watershed, local participation was important. They studied non-point source pollution in the watershed from several points of view. Their report is on file.

Plans for updating the community services and facilities chapter in the town master plan are being made. A display of planning materials related to the civic district will be set up for the Town Meeting. In April the Madbury Historical Society will join with the Planning Board for a mosey and tours of community facilities and land in the civic district for the community. In May we expect to hold a community meeting for discussion of community services and facilities. The event will be planned by a citizen committee with expert guidance. The results will be used to do some long range planning for the civic district.

Respectfully submitted,
Loretta B. Chase, Chair

PLANNING BOARD

(l to r) Steve Schuster, Lucy Tillman, Karen Houston, Lorie Chase, Joan Sundberg, Dick Houghton and Debbie Zarembo.

ZONING BOARD OF ADJUSTMENT

In 1996 the ZBA held hearings for the following cases. Appeals concern the Zoning Ordinances unless otherwise indicated:

Case No.	Hearing Date	Appeal	Applicant /Property	ZBA Decision
01	Feb. 13	Variance Art. V, Sec 2 Building Regulations	Robert J. Connors 34 Hayes Road	GRANTED with conditions
02	Apr 9	Special Exception Art. V, Sec. 1-J	Robert A. Monroe 25 Huckins Road	GRANTED with conditions
03	Apr 9	Special Exception Art. XII, Sec. 1-C	M. Jerome Chase Grande Hill Mobile Home Park	GRANTED with conditions
04	Apr. 16	Special Exception Art. XII, Sec. 1-C	Rod & Yvette Auger 3 French Cross Rd.	DENIED
05	Apr. 16	Variance Art. V, Sec. 2-B	Rod & Yvette Auger 3 French Cross Rd.	DENIED
06	May 28	Variance Art. V-A, Sec. 3-F	Darlene & Michael Koutrelakos 7 Madbury Woods	GRANTED
07	Aug. 20	Variance Art. V, Sec 2-A	Robert & Elizabeth Renshaw 29 Town Hall Rd.	GRANTED

Whenever possible, hearing dates are set for the third Tuesday of the month. Completed applications must be submitted by the first of the month for a public hearing to be scheduled.

Jeanne Shaheen, who has served as ZBA Chair since 1987, has moved on to the more significant political position of the first woman elected as Governor of N.H.

Barbara Houston, Clerk

MADBURY CONSERVATION COMMISSION ANNUAL REPORT 1996

The high point of the commission's year came in December, with the printing of the update of 1985's *Inventory of Properties Owned by the Town of Madbury*. The new edition is entitled *Madbury Town Owned Properties*. Further editions will need to introduce/expand management plans while incorporating any additional town acquisitions. A copy is available for inspection in the Town Offices, and a limited number is on hand for purchase there as well. The commission would appreciate suggestions and critiques by those who peruse the booklet.

Trail work continued with the planting of 20 hemlock seedlings in discontinued parts of old trails. This will help in revegetation and erosion control, and at the same time begin to obscure the former paths. This work was done on Madbury Day, along with other activities intended to make use of the natural surroundings of the town hall. These included flower and tree identification games and a hike to Madbury's highest point to make a rubbing of its USGS benchmark.

Other commission work involved: 1. attendance at some Planning Board meetings, 2. participation in the Oyster River Watershed Nonpoint Pollution project, which issued its report in July, 3. consideration of four dredge and fill permit applications (all minimum impact), 4. attendance at a regional meeting regarding a Rochester sewage pipeline with a possible route through Madbury, 5. attendance at a NHDES meeting on changes to the dredge and fill permit application procedure and reconstitution of the Wetlands Board, 6. action on one citizen request.

Townpeople may feel free to bring their concerns and comments to the commission, either by letter or by attending the meetings on the fourth Monday at 7:30 p.m.

Respectfully submitted,
Craig R. Seaver, Chairman

MADBURY POLICE DEPARTMENT

This year has seen many changes in Police activity. There were 107 home breaks and crimes against property incidents which included home break-ins, mail box damage, broken windows, and theft from out buildings. Police encourage home owners to call the 24-hour dispatch center at 868-1212 to arrange for house checks. The dispatchers are trained to ask for information needed to check your home while you are away or on vacation. Also, we encourage a neighborhood watch. Let your neighbor know when and for how long you are going to be away. Report any suspicious vehicles that do not belong in your neighborhood.

Motor vehicle accidents have increased due to speed, alcohol and road conditions. New speed signs have been erected throughout Madbury and additional patrols will be set up in 1997 for enforcement.

Crimes against persons, mostly ongoing domestic disturbances and family disputes have increased. Neighbor disputes, fighting and loud music have increased police activity this year as well.

Calls for Police services are growing at a rapid pace in Madbury. These calls include home and business alarms, school problems, 911 hang ups, summons issued and warrants served.

Animal related incidents have leveled off although animal bites, both dog and cat, are ongoing problems.

Below is the breakdown of Police Department activity for 1996:

Crimes against property	107
Crimes against persons	87
Motor vehicle accidents	70
Calls for Police Service	125
Motor vehicle stops	168
Animal complaints	37
(27 dog calls incld. 5 bites)	<u>594</u>

Please note that these totals DO NOT include any State Police activity in Madbury.

MADBURY VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT

To the Residents of Madbury:

The Fire Department responded to 103 calls in 1996, we had no major fires. We were busy with motor vehicle accidents, mutual aid to other towns and medical calls.

We have added five new members this year: Ted Keith, Brendon Kelly, Michael Zucaro, Jeremy Nichol and Matt Scruton. We are fortunate to have these people join. We are always looking for Volunteers to join the Department. We need daytime help (when Firefighters are out of town or at work) for fire and fast calls. If you are interested call Arthur Anderson at 749-0489, after 4:30 p.m.

Madbury Day was again a success. I would like to thank Ken Wolcott for organizing and chairing the days events. Also, to all who volunteered their time and effort.

Our Annual Christmas party was held on December 21st at the Gateway Restaurant in Somersworth. We had a great meal and a good time with our Yankee Swap.

Alfred Grimes was awarded the Firefighter of the Year Award for his years of dedicated service to the Department. His name will be added to the Plaque, which is on display at the Madbury Fire Station.

As your Fire Chief, I would like to request that all Madbury Residents please place their house number near the entrance to their driveway, the numbers should be 3 to 4 inches in height, and reflective, so that they can be easily seen at night. This would save time, by allowing emergency personnel to locate your residence easily. Saving time is always an important factor when responding to a call. Thank you.

The Fire Department has received several donations throughout the year. We wish to express our thanks especially to Hansom's Truck Stop, Houghton's Hardware, and to the many residents of Madbury. We appreciate your time and support. Thank you.

Respectfully submitted,
Arthur Anderson
Chief MVFD

FIRE CALLS 1996

FAST	25
Miscellaneous	<u>30</u>
Total Calls	103

*Firefighter of the Year Award
Presented to Alfred Grimes by Chief Arthur Anderson.*

MADBURY CEMETERY TRUSTEES' REPORT

1996 has seen the installation of the Madbury Cemetery sign and the entrance gate. This completed our goals for the year. We have seen continued sale of lots and as of December 31, 1996, twenty-eight lots have been purchased.

Landscaping projects are still underway. A few trees and shrubbery will need to be replaced and more will need to be planted in order to beautify the landscape. Donations toward this goal will be gladly accepted and appreciated.

The Trustees continue to encourage the purchase of memorial granite posts to complete the fence to the main gate.

The former Cemetery Committee and now the Cemetery Trustees meet each year to set goals. So far, we have been able to accomplish these goals and look forward to continued success.

1997 will mark the tenth anniversary of the Selectmen's appointment of a five member committee to study, plan and establish a Madbury Cemetery. It has been a long and interesting time for everyone involved. We hope Madbury residents are pleased with the results. Again, we want to express our appreciation for all the help and support everyone has given through the years.

Alfred E. Grimes, Chairman
Carleton M. Wentworth
Diane C. Hodgson
Madbury Cemetery Trustees

MADBURY HISTORICAL SOCIETY
ANNUAL REPORT
October 1995 - October 1996

The Madbury Historical Society, after eighteen years, continues with an enthusiastic, dedicated membership.

The special programs were diverse and informative. Bob Hodgson presented his findings from the research he had done on articles about Madbury which had appeared in the Newspapers in the past, at the October meeting.

The November program, focusing on the Madbury Grange and fair, was informative, informal and humorous. After a presentation about the Grange in new Hampshire by Kimber and Daniel Bascom, many Society members shared their memories about Grange activities, focusing on the fair.

F. Curtis Johnston of Hampton, presented January's special program on Ice Harvesting. Included in his presentation were slides, a discussion of the ice cutting and storage processes, and an explanation of the function of assorted ice cutting artifacts.

Lorie Chase's presentation on Old New England Quilts in April, generated a great deal of interest from the membership and guests.

The mosey's were less popular. The tour to the Museum of New Hampshire History had only six participants, and the picnic generated no interest.

On the other hand, Madbury Historical Society members were once again active with Madbury Day activities. David Smith installed his train set in the town hall and Bob Hodgson and Burt Staugaard had a computer with a database for people to trace the past occupancies of their houses.

The Cemetery Committee continued its work in the town cemeteries. Strafford County Forester, Don Black and tree farmer, Ian Walker, were consulted about trees growing at these sites.

The Historical Society approved giving the glass photographic negatives by George F. Wentworth to Thom Hindle, who had the rest of the collection, in exchange for an archival print, an 8" x 10" print and a negative of each Madbury photograph in the total collection. The committee assigned to investigate the preservation of these negatives felt Mr. Hindle was better equipped to do this. It was also their belief that in the interest of history, the collection of negatives should be together.

A Loan Form was developed this year for people or organizations wanting to use our artifacts for display or research.

A letter was sent to the Selectmen asking that the Historical Society be considered, if extra space is available as a result of the acquisition of the Estes property.

Pat Gleske reported that eight people have been interviewed for our oral history project. All of these tapes need to be transcribed so that a follow up visit can take place and corrections be made.

People have continued to make generous donations to our collection. This year we received a copy of an 1877 map of Madbury from Pat McKinney. Jim Colprit donated slides of the Pudding Hill Gravel Pitt and the 155 Bridge construction over the Bellamy River. Videos of 1994, 1995 and 1996 Madbury Days and Christmas in Madbury 1995 were also given. Pam Seaver relocated historical documents from the Town records to the Society. Madbury plates were left at the Town Hall to be sold for \$25 each (2 pink and 2 blue remain). A portion of this money will be donated to the Historical Society. There are also 7 Madbury mugs left for sale. Glenn Jones made contributions of mostly bicentennial information, from his Uncle Dan Adams.

A special thank you is extended to everyone who has shared his or her time, efforts, and expertise for the good of the Madbury Historical Society.

Respectfully submitted,
Emily Hart
Melissa Walker
Co-Presidents

ANNUAL SUMMARY OF MADBURY WATER BOARD ACTIVITIES 1996

This years' primary effort was to consolidate the water quality data from past efforts. The data base now contains water quality data for well water samples tested since the 1970's. Analyses in the past include: Radon, bacteria and other drinking water variables.

One planned effort was to resample wells at the Transfer Station on Pudding Hill Road. However in the summer, the water level was too low in the monitoring wells, and so sampling will occur next summer.

The Board continued to monitor the progress of the groundwater remediation efforts at Madbury Metals. At this writing, there still appears to be contaminated groundwater moving from this site to Dover's wells. NH DES has been active in overseeing remedial activities.

Lastly, the Board has given its input to the Selectmen and the Planning Board on the value of obtaining certain surface water rights.

LAMPREY REGIONAL COOPERATIVE REPORT

In 1996, we experienced many changes to the Lamprey Regional Cooperative. The Lamprey Regional Cooperative completed the interior demolition of the building in Durham. The building has been cleaned and certified by the Department of Environmental Services. The Landfill in Somersworth was completely capped on November 15, 1996. We are now awaiting certification from the State.

One significant issue that is still remaining concerns the disposition of the old incinerator building at UNH. This could have a financial impact on our member communities.

We have made some progress toward our goal of Regional Transfer and Recycling Facility for the communities that have decided to remain in the Lamprey Regional Cooperative into the future. We experienced a delay in our project due to the demise of our administrator, Patrick Genest. However, we seem to be back on track as the year ended.

At this time, I would like to thank all of the communities for their cooperation with the closure of our Waste-to-Energy plant in Durham and the Landfill in Somersworth.

Respectfully submitted,
Joseph Moriarty, Chairman of Board
Lamprey Regional Cooperative

STRAFFORD REGIONAL PLANNING COMMISSION

This year Strafford Regional Planning Commission (SRPC) and the Madbury Planning Board worked closely together to produce the digitized tax map using GIS (Geographic Information Systems) which was discussed in the Planning Board Annual Report. The SRPC has the technology and expertise to use the statewide Granit System for its member communities, for both local and regional planning. With Madbury's new mapping, opportunities for Madbury to make use of the SRPC capabilities are greatly expanded.

Community planning assistance was received from SRPC for our discussions about commercial land use in Madbury. Educational programs for the commissioners were presented on wetlands, agriculture, and traffic calming. Workshops on sludge and septage, regulating commercial gravel excavations, and gravel pit reclamation were sponsored by SRPC for the public.

In the monthly newsletter (which is posted at Town Hall) the commission provides a calendar of planning events and educational opportunities for community officials and interested citizens. The commission welcomes submissions about events. This is a great source of information as well as a way to coordinate scheduling of events.

Four areas of focus have been identified for regional planning emphasis by the commission. They are improved patterns of new development, better understanding of regional costs and regional growth, loss and fragmentation of wildlife habitats, and illustration of the importance of aesthetics.

Transportation planning for this part of New Hampshire is the responsibility of the Seacoast Metropolitan Planning Organization (MPO). The commissioners of SRPC serve as policymaking members of the MPO. In addition each community has a representative on the MPO Technical Advisory Committee (TAC). Joan Sundberg is Madbury's representative to the TAC. In addition to identifying future transportation projects for the region, the MPO and TAC have discussed issues of regional freight trucking, Coast Bus Service, turnpike Exit 10 and bike trails. Madbury is a key link on a proposed bike trail along Route 108 from Exeter to Rochester. The community may want to consider the benefits of taking part in that effort.

Loretta B. Chase
Janet G. Wall
Commissioners

DURHAM AMBULANCE CORPS

Town Report 1996

The Durham Ambulance Corps is a private, non-profit, volunteer service that has provided 24-hour emergency ambulance service to Durham, Lee, Madbury and the University of New Hampshire since 1968 in memory of Dr. George G. McGregor. The Durham Ambulance Corps takes pride in almost 30 years of providing some of the most sophisticated and progressive emergency care in the area.

1996 was another record breaking year for the DAC with 899 responses to emergency medical calls. There were 347 calls in Durham (38.6%), 293 calls to the UNH campus (32.6%), 163 calls in Lee (18.1%), 63 calls in Madbury (7.0%) and 33 mutual aid calls to other communities (3.7%).

ACHIEVEMENTS IN 1996

The Corps began a program to recruit permanent area residents for active membership to alleviate personnel shortages when UNH is not in session. This program includes scholarship for members to attend Emergency Medical Technician (EMT) training. There will be an ongoing recruitment and retention program to help ensure that the Corps can continue to meet the needs of the communities.

The Corps started the process of renovating and expanding our office, storage, and bunk spaces to ease overcrowding and better meet our needs for the next several years. We will need to move to a larger facility within the next ten-fifteen years.

We continue to assess the quality of service it provides by continuing to send service evaluation forms to patients and analyzing the results.

DAC sponsored a CPR training marathon as well as many smaller CPR and First Aid training courses. The Corps continues to present safety education (such as 911 information, child passenger safety, bicycle safety, etc.) at community events such as fairs and community picnics.

GOALS FOR 1997

We will continue to explore community needs for additional services such as stand-by coverage, non emergency transfers, and mobile health care. We will explore cooperative arrangements with other area public service and health care agencies to ensure that the needs of the communities are met in the future.

The Corps will conduct a fund drive to raise money for the Corps' McGregor Memorial and Building Funds. Money in these funds is used only for purchases of non-expendable equipment and to renovate, purchase, or construct station facilities.

We will continue annual training and policy review/revision to comply with OSHA guidelines for Tuberculosis, Bloodborne Pathogens and Hazardous Materials.

The Corps will finalize the station renovation and expansion to meet our needs for approximately 10 years.

We owe a great deal of thanks to the communities and citizens of Durham, Lee, Madbury and UNH for their continued support, and especially for their generous response to our fund raising efforts. We would also like to thank the Durham, Lee, and Madbury Fire Departments, the Durham-UNH Communications Center and the Durham, UNH, Lee and Madbury Police Departments for their support. Most of all, we would like to thank all the DAC volunteers for their many hours of dedicated service.

Respectfully submitted,
