Thomas Hadley, Commissioner

Donald W. Melvin, Moderator

RECORD OF TOWN MEETING

March 13, 2001

The Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, was called to order at 11:00 AM by Moderator Donald W. Melvin. The polls declared open and the following Ballot Clerks were sworn in by the Moderator:

Diane Hodgson	Mary Ellen Duffy	Carleton Wentworth
Karen Towle	Gail Houghton	

Moderator Melvin called the evening session of the Meeting to order at 7:14 PM. He announced that the polls which opened at 11:00 AM for the purpose of voting by ballot on Article 1 of the Town Meeting Warrant as well as voting on all Articles on the Oyster River Cooperative School District Ballot would close at 8:00 PM unless extended by vote of the Town Meeting.

ARTICLE 1. The following Town Officers were elected by ballot:

Selectman for the ensuing three years	Joan H. Sundberg
Town Clerk-Tax Collector for the ensuing three years	Pamela A. Seaver
Treasurer for the ensuing year	Gail A. Houghton
Trustee of Trust Funds for the ensuing three years	Emily R. Hart
Auditors for the ensuing year	Elaine C. Sylvester
.....	Karen A. Towle
Cemetery Trustee for the ensuing three years	Alfred E. Grimes

(Sample ballot on File)

ARTICLE 2 Barbara Houston moved and Carol Loughlin seconded a motion to authorize the Selectmen to choose all other Town Officials **PASSED**

ARTICLE 3. Bruce Hodsdon moved and Jim Davis seconded a motion to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1998 Town Meeting for the purpose of the construction of a Safety Complex and further to authorize the Selectmen to act as agents to withdraw and expend for this Capital Reserve Fund. This appropriation is recommended by the Board of Selectmen and is included in the proposed budget.

Selectman Hodsdon explained the the Town currently has \$157,165.00 in this Capital Reserve Fund. The Board of Selectmen has held discussions with Madbury's Fire and Police Departments in regard to their needs. The Board will attempt to select a site and a design to present at the 2002 Annual Town Meeting. Ideally the Board would like to begin construction during the summer of 2002 with a completion date in 2003. Hodsdon did say there were still many "ifs" and no specific plans. He further explained that the funding of the Safety Complex would most likely come from a combination of this Capital Reserve Fund, surplus monies and bonding with no real affect on the town's tax rate. There being no further questions or discussion a vote was taken.

PASSED

ARTICLE 4. Carol Loughlin moved and Donald Sundberg seconded a motion to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1994 Town Meeting for the purchase of a Fire Truck and further to authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. This appropriation is recommended by the Board of Selectmen and is included in the posted budget.

Selectman Moriarty explained that if this Article passes there would be \$165,729.00 in this Capital Reserve Fund that the Town began in 1994. Assistant Fire Chief Jim Davis pointed out that the Fire Department now has a 10 year old pumper and a 22 year old pumper. A new one will most likely be purchased when we have a newer and larger building to house these vehicles. There was no discussion. A vote was taken. PASSED

ARTICLE 5 Selectmen Jay Moriarty moved and Gray Cornwell seconded a motion to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the existing Capital Reserve Fund created in Article 9 at the 2000 Town Meeting for the purpose of the Purchase of Property and/or Easements. The Selectmen recommend this appropriation and it is included in the posted budget.

There were no questions. A vote was taken. PASSED

ARTICLE 6. Stephen Schuster moved and Carol Loughlin seconded a motion to establish a Capital Reserve Fund (pursuant to RSA Chapter 35) for the purpose of recreational field development of the Tibbetts property and to raise and appropriate the sum of Fifteen Thousand dollars (\$15,000.00) towards this purpose, and to further authorize the selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. The Selectmen recommend this appropriation, and it is included in the posted budget.

Recreation Commission Chair Andrew Wood spoke to this article. When the DeMerritt Park fields were rebuilt they became used mostly by Oyster River Youth Association teams. In order to give Madbury residents other options for recreation the Commission envisions creating two new soccer fields and open spaces for other sports on the Tibbetts property. The commission is actively working with the US Army Corps of Engineers to help create these fields. A few questions were asked. When there were no further questions a vote was taken. PASSED

ARTICLE 7. Jay Moriarty moved and Bruce Hodsdon seconded a motion to pass the proposed budget of \$866,959.00 for the current year.

With not one question raised, a vote was taken. PASSED

ARTICLE 8. Lorriane Morong moved and Connie Eppich seconded a motion to establish a public library pursuant to RSA 202-A:3.

Library Committee members Lorraine Morong, Jean Bartell, Eileen Corrow, Mayme Trumble, Peggy Wolcott and Betsy Renshaw gave an comprehensive six part presentation of their research and work with different state departments towards establishing a town library for Madbury.

There being no questions following the complete and lively presentation a vote was taken. PASSED

ARTICLE 9. Eileen Corrow moved and Margaret Fish seconded a motion to create the office of Library Trustee pursuant to RSA 669:16.

No questions or discussion. A vote was taken. PASSED

ARTICLE 10. Jeanne Bartell moved and Betsy Renshaw seconded a motion to elect three (3) library trustees by unofficial ballot. Jeanne Bartell nominated Craig Seaver, Mayme Trumble and Joan Valentine for one year terms as Madbury Library Trustees for the ensuing year.

With no questions or other discussion a vote was taken. PASSED

ARTICLE 11. Eileen Corrow moved and Robert Drugan seconded a motion to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action of the town meeting, unanticipated monies from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.

No question or discussion. A vote was taken. PASSED

ARTICLE 12. Lorraine Morong moved and Carol Loughlin seconded a motion to accept the provisions of RSA 202 -A:4-d authorizing the public library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, and require that the public library trustees hold a public hearing on the proposed acceptance of any gift valued over \$5,000.00. Such authorization shall remain in effect until rescinded by a vote at town meeting. No acceptance of any personal property under the authority of this section shall be deemed to bind the town or the library trustees to raise, appropriate, or expend any public funds for the operation, maintenance, repair or replacement of such property.

Again with no discussion or questions a vote was taken. PASSED

Moderator Melvin announced it was 8:00 PM and anyone present who had not voted yet to do so because the polls were closing.

ARTICLE 13. Joan Sundberg moved and Eileen Corrow seconded a motion to adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used

for hunting, herding, supervised competition and exhibition or training for such.

Joan Sundberg tried to clarify the wording of the RSA and fielded many of the ensuing questions. After a half hour debate on this rather emotional issue a vote was taken. The regular voice vote was inconclusive. Moderator Don Melvin asked for a hand vote.

YES-54

NO-45

PASSED

ARTICLE 14. John Nachilly moved and Craig Seaver seconded a motion to retain the unexpended portion of the 2001 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund.

No questions or discussion. A vote was taken.

PASSED

ARTICLE 15. There were no reports to be heard or acted on this year.

ARTICLE 16. Moderator Donald Melvin asked those present (approximately 120) to please stand and join him in a moment of silence for those Madbury folks who died during the year 2000. They included:

John T. Humphrey
Barbara S. Couture
Robert J. Connors

Grace C. Sheldon
Marilyn M. Greene
Albert H. Jones

Carol Loughlin reminded citizens of Madbury's annual road side clean-up to take place this year during the week beginning with April 22nd, Earth Day.

Jeanne Bartell announced that the newly formed Madbury Library will hold its Grand Opening on Monday April 2, 2001 at the Town Hall.

Melissa Walker thanked the Selectmen for all the work they do to uphold the laws and rules and regulations of the State of NH and Town of Madbury for all of its citizens.

Debbie Leslie reminded those present that Madbury's annual Town pot luck supper will be held at the Moharimet Elementary School west wing on Sunday, April 8th at 5:30 PM

Madbury's Volunteer Fire Department will host a planning meeting for the 2001 Madbury Day at the fire station on Tuesday, March 20th at 7:00 PM

Community Club President Carolyn Hutton mentioned that Madbury's Health Officer Dr. Robert Wilson was recovering from major surgery

in a Portsmouth rehab facility.

Town Clerk Pamela Seaver publicly thanked all those who served on the Library Committee for their countless hours and efforts for the good of the community.

Selectman Bruce Hodsdon formally introduced Deputy Chief Joseph McGann to all those present. Undoubtly many citizens have already met Joe at another occasion during the past year.

Moderator Melvin adjourned the meeting at 8:40 PM to count the ballots cast on Article 1. The meeting was officially adjourned at 9:30 PM.

Pamela A. Seaver
Madbury Town Clerk

Then came before me, Joan H. Sundberg, Gail A. Houghton, Elaine C. Sylvester, Karen A. Towle, Emily R. Hart, Alfred E. Grimes, Craig R. Seaver, Mayme Trumble, and Joan Valentine and took their oaths of office as required by law. I, Pamela A. Seaver, took my oath of office, which was administered by Moderator Donald Melvin, as required by law.

Pamela A. Seaver
Madbury Town Clerk

Formally accepted by the Board of Selectmen on March 23, 2001.

Bruce E. Hodsdon
Joseph B. Moriarty
Joan H. Sundburg

**WARRANT
FOR
TOWN MEETING**

**TOWN OF
MADBURY, NEW HAMPSHIRE**

MARCH 12, 2002

**WARRANT FOR TOWN MEETING
TOWN OF MADBURY, NEW HAMPSHIRE ~ MARCH 12, 2002**

To the inhabitants of the Town of Madbury, County of Strafford. and the State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Madbury on Tuesday, the twelfth day of March, A.D. 2002 at 11:00 in the morning for the purpose of voting on Article 1 and 2 and at 7:00 o'clock in the evening for action on Articles 3 through 15. The polls will open at 11:00 a.m. for the purpose of voting on Article 1 and 2 and will close at 8:00 p.m. unless extended by vote of the meeting.

- ARTICLE 1:** To choose the following Town Officers: (Majority Vote required)
A Moderator for the ensuing two years
A Selectmen for the ensuing three years
A Treasurer for the ensuing year
Two auditors for the ensuing year
A Trustee of the Trust Funds for the ensuing three years
A Supervisor of the Checklist for the ensuing six years
A Cemetery Trustee for the ensuing three years
A Library Trustee for the ensuing one year
A Library Trustee for the ensuing two years
A Library Trustee for the ensuing three years
- ARTICLE 2:** To vote to amend the Zoning Ordinances: Article XII, Section 3A concerning INTENSIFICATION OF USE. (Majority vote required)
- ARTICLE 3:** To choose all other Town Officers. (Majority vote required)
- ARTICLE 4:** To see if the Town will vote to raise and appropriate the sum of Nine Hundred and Fifty Thousand Dollars (\$950,000.00) for the construction and equipping of a new Safety Complex building, and to authorize the borrowing of not more than \$100,000.00; and to authorize the withdrawal of \$350,000.00 from the Safety Complex Capital Reserve Fund created for this purpose; with the balance of \$500,000.00 to be taken from surplus funds. The Selectmen recommend this appropriation, and it is included in the posted budget. (2/3 ballot vote required)
- ARTICLE 5:** To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) for the existing Capital Reserve Fund created in Article 8 at the 1998 Town Meeting for the purpose of the Construction of a Safety Complex and further authorize the Selectmen to act as agents to withdraw and expend for this Capital Reserve Fund. This appropriation is rec-

ommended by the Board of Selectmen and is included in the posted budget. (Majority vote required)

ARTICLE 6: To see if the Town will vote to raise and appropriate, and authorize the Selectmen to spend, up to the sum of Twenty-six Thousand Dollars (\$26,000.00) to purchase and equip a police cruiser. This appropriation is recommended by the Board of Selectmen and is included in the posted budget. (Majority vote required)

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for the existing Capital Reserve Fund created in Article 9 at the 2000 Town Meeting for the purpose of Purchase of Property and/or Easements. The Selectmen recommend this appropriation, and it is included in the posted budget. (Majority vote required)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) for the existing Capital Reserve Fund established in Article 6 at the 2001 Town Meeting for the purpose of recreational field development of the Tibbetts property and to name the Selectmen as agents. The Selectmen recommend this appropriation, and it is included in the posted budget.
(Majority vote required)

ARTICLE 9: To see if the Town will vote to establish a Capital Reserve Fund (pursuant to RSA Chapter 35) for the purpose of a Library Building Fund and to raise and appropriate the sum of Five Thousand Dollars, (\$5,000.00) towards this purpose, and to further authorize the selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. The Selectmen recommend this appropriation, and it is included in the posted budget.
(Majority vote required)

ARTICLE 10: To see what action the Town will take on the proposed Budget for the current year. This budget is recommended by the Board of Selectmen. (Majority vote required)

ARTICLE 11: To see if the Town will vote to adopt RSA 41:14a which shall give the Selectmen the authority to acquire or sell land, buildings or both.

ARTICLE 12: Shall we modify the elderly exemptions from property tax in the Town of Madbury, based on assessed value, for qualified taxpayers, to be as follows:

For a person 65 years of age up to 75 years \$40,000.00; for a person 75 years of age up to 80 years, \$60,000.00; for a person 80 years or older, \$80,000.00. To qualify the person must have been a New Hampshire resident for a least five years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition the taxpayer must have a net income of not more than \$28,000.00 or, if married, a combined net income of less than \$34,000.00; and own net assets not in excess of \$150,000.00 excluding the value of the person's residence.
(Ballot vote- Majority vote required.)

- ARTICLE 13:** To see if the Town will vote the retention of the unexpended portion of the 2002 Conservation Commission appropriation, said monies to be placed in the Madbury Conservation Fund.
- ARTICLE 14:** To hear the reports of any Committees, Town Boards, and/or Commissions, and act on any motion thereto.
- ARTICLE 15:** To transact any other business that may legally come before the meeting.

Given under our hands and seal the 15th day of February in the year of our Lord, Two Thousand and Two.

Bruce E. Hodsdon
Joseph B. Moriarty
Joan H. Sundberg
Board of Selectmen, Town of Madbury, NH

We certify that on the 15th day of February, in the year of our Lord, Two Thousand and Two, we posted a copy of the warrant at the Town Hall, Fire Station, and the Town Clerk's Office being three public places in the Town of Madbury, as required by law.

Bruce E. Hodsdon
Joseph B. Moriarty
Joan H. Sundberg
Board of Selectmen, Town of Madbury, NH

Strafford County, SS Town of Madbury and the State of New Hampshire. Personally appeared before me, the above mentioned Selectmen and took oath to the above statement.

Pamela A. Seaver, Town Clerk
Town of Madbury, New Hampshire

FIRE DEPARTMENT REPORT

On behalf of myself and the members of the Madbury Fire Department I would like to thank you for your continued support during the past year. This is especially true for this past fall when dry conditions made outside burning extremely dangerous. As a reminder, a Fire Permit is required to kindle a fire unless the ground is completely covered by snow. When there is snow on the ground we do ask that you notify one of the towns Forest Fire Wardens to help prevent unnecessary department responses. You may obtain a fire permit from the following individuals: Tom Perley (749-3751), Jim Davis (742-3712), Ken Wolcott (742-4794), or Bob Hodson (742-7713).

For members of the community with fire alarms or medical aid alarms, we ask that you please provide the fire department with notice that the alarm exists, along with a list of daytime phone numbers as well as the numbers for any key holders for the property. Most of these alarms are monitored by people far away from Madbury, and prior knowledge of the property will help us save time when trying to find it. Over the past year we have had several cases of wrong addresses or little available information from some of these monitoring stations. Please help us serve you better.

This past year we welcomed the following new members to the Madbury Fire Department: Bill Brouse, Dave Peterson, James McDermott, Jonathan March, and Junior Members: Chris Doore, John Gaetjens, and Conor McCullough. This year Captain Bob Champoux and Lieutenant Steve Noel each celebrated their 10th year as members of the department. Ken Wolcott was selected as Madbury's Firefighter of the Year. This is the second time that Ken has received this honor. His high level of participation makes Ken a valuable asset to our department.

Respectfully submitted,
Tom Perley, Fire Chief
Madbury Fire Department

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, **NOT** a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **Only You Can Prevent Wildland Fires.** Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at www.nhdf.l.com or call 271-2217 for wildland fire safety information.

MADBURY POLICE DEPARTMENT ANNUAL REPORT for 2001

As the year neared the end, none of us will forget the events of September 11 and how it has changed our lives. We all felt that this would never happen in the United States - we were caught by surprise and those tragic events have changed our lives forever. With this being said, we are asking the citizens of this community to report anything that is felt to be suspicious by contacting the police department at 742-5566 which is answered 24 hours a day.

The department was extremely busy for the past year. We have seen changes with our personnel. Sgt. Michael South and Officer Christopher Storm left our agency. The department hired three new officers - Thomas Hart (who has 18 years experience in law enforcement), Jason Lamontagne (who served with the Durham Police Department for 5 years), and Michael Donahue (hired as a patrolman - no previous experience). Both Hart and Lamontagne are full-time certified and bring experience to our agency.

Members of our agency assisted with time and equipment in the construction of the Sugar House located at the Moharimet School.

We continued to work closely with the Moharimet School during the year of 2001. We worked with school and fire officials to develop an emergency plan for the school where we conducted a mock drill for evacuation off school property. This was very successful. It involved not only students, but parents, town officials, and also bus drivers.

We are now affiliated with the domestic violence project on the County Attorney level. This program allows, at no cost to the Town, attorneys from the County Attorney's office to prosecute these delicate cases.

We would like to thank Representative Janet Wall for all her hard work in sponsoring House Bill No. 616, which allowed keeping the Durham District Court to remain in Durham. This legislation will allow officers to continue to have night court. This bill was very beneficial in saving time and money for the Town of Madbury.

The information below is the activity of police for the year, compiled from January through December of 2001:

Aid to citizens	605
Aid to Other Agencies	243
Aid of Officers	80
Development Checks	5,956
Parking Tickets	21
Building Checks	730
House Checks.....	480

Escorts	9
Radar Checks	437
Motor Vehicle Warnings	1,221
Criminal	1
Summonses Issued	343
Motor Vehicle Arrests	15
Criminal Arrests	16
Other Department Arrests	3
Complaints	150
Accidents Covered	32
Criminal Investigations	<u>26</u>
Total Activities for 2001	10,368

Our training is on-going, enhancing the professionalism of our department. It is the goal of our agency to provide professional police services to the community of Madbury.

Respectfully submitted,

George E. Taylor
Chief of Police

MADBURY PLANNING BOARD ANNUAL REPORT

The update of the Town's Master Plan was again a major activity of the Planning Board during the past year. The community development policies were revised. These ten policies provide the basis upon which all of the subsequent revisions are based. In addition, three chapters have been completed and work continues on two others. The completed chapters include: Chapter 1, Demographic Profile; Chapter 2, Historic Resources; and Chapter 3, Water Resources.

Work was begun, and will continue this year, on Chapters 4 and 5, Land Use and Natural Resources. It is also anticipated that before the coming year is out work will begin on chapters dealing with economic development and government services. These activities are supported, in part, by a grant which allows us to enlist the assistance of the Strafford Regional Planning Commission. The end result of this process is to review and make changes, where appropriate, to the Madbury's zoning ordinances, subdivision, and site plan regulations.

All of our meetings are open to the public and we welcome public input into the above activities. They are expected to have an important impact on the future of Madbury.

Public hearings were held on seven applications which resulted in seven additional building lots plus a lot line adjustment. At year's end several other applications were pending which may result in as many as twelve additional lots.

A new policy instituted this year requires that all subdivision and site plan applications be reviewed by a professional land use planner. This is to provide the technical assistance needed in an increasingly sophisticated environment and also to identify any potential problems in the application early in the process.

In other activities the Board has developed Rules of Procedure which outline and clarify the method of conducting business. It also made changes in several subdivision regulations, following a public hearing, to assure consistency between the Rules of Procedure and the ordinances. In addition, road construction standards were upgraded and clarified.

I want to offer my special thanks to all the members of the Board for their commitment and hard work. The diversity and complexity of applications and the effort required to update the Master Plan has imposed unprecedented demands on these individuals. Their dedication is essential to the fulfillment of their responsibilities. I appreciate their support.

The Planning Board meets at 7:00 pm on the first and third Wednesday of each month. All citizens are welcome to attend.

Respectfully submitted,
Wallace C. Dunham, Chairman

MADBURY WATER DISTRICT ANNUAL REPORT DECEMBER 31, 2001

This has been a year of severe drought in our area; stream flows averaging 20% of normal and ground water levels averaging two (2) feet below normal. Dug wells have been hard hit. Stumps are showing in the Bellamy Reservoir and there is only a trickle of water flowing below the dam.

There have been proposals for large withdrawals of ground water for commercial bottling and export and proposals for increasing demands for water supplies by municipal systems - Portsmouth, Dover, and Durham - all drawing from the Bellamy and Oyster River watersheds wherein Madbury lies.

A regional effort to secure in permanent conservation an area located off Rt. 125 in Barrington to protect the headwaters of the Bellamy and Oyster Rivers was supported by Madbury (Conservation Commission funds) and was successful.

New state legislation is being presented on large withdrawals, transfers, and conservation of water supplies.

These issues have increased public awareness of the need for water resource management on a regional basis consistent with the way the water system works - and in the public interest.

Recognizing this need for regional cooperation in water resources management, the Madbury Water Board has been participating in the Oyster River Watershed Association and is involved in the formation of a Bellamy River Watershed Advisory Committee.

The Madbury Water Board is also investigating Madbury's rights and powers to protect and/or develop water resources in Madbury.

On Madbury Day in June, the Madbury Water Board displayed maps of the Bellamy and Oyster River Watershed areas showing the watershed boundaries and the municipal systems drawing water from Madbury. Homeowners could pinpoint the location of their homes within their watershed. Action models demonstrated the movement of water and contaminants underground. Materials informative on water matters were provided.

The Madbury Water Board has directed effort in 2001 to gather and update data on research, studies, laws and regulations dealing with water inventories, water rights and water management issues.

Well drillers' logs for Madbury wells have been obtained (available since 1984). Oyster River and Bellamy River Watershed Water Budgets have been developed for the Madbury Water Board by hydrologist Thomas Fargo to estimate safe yields of withdrawals. Sources of water for fire protection purposes have been explored and are being recorded. Identification of threats to water quality and

potential contamination sites is underway and a monitoring system has been initiated.

The Madbury Water Board has accepted responsibility to act on Madbury Master Plan recommendations addressing water resource issues. The recommendation "to coordinate water resource data base management with town boards and the State to further the protection and management of the water resources of the Town" is well underway. The Madbury Water Board has been strengthening links with other town boards and regional and state bodies to transmit useful information on water affairs.

In December the Madbury Water Board distributed (courtesy of the Madbury Community Club with their calendar) to all households in Madbury (700) a brochure on why Madbury homeowners should be concerned with the care of both well and watershed. Information on the work of the Madbury Water District was added. Four pamphlets were included in each package: a guide to private well testing, a guide to well disinfection, a guide to septic system management and a guide to proper management of hazardous materials in the home.

MADBURY LIBRARY ANNUAL REPORT

Since Town Meeting 2001, Madbury's nascent library has expanded its collection to 550 volumes, all donated; none have been lost or withdrawn from circulation. One hundred and thirty-five signouts have been recorded, mostly of children's materials. Purchase of a shelving unit gave lots more space to put many of those books.

Changes in the use of the Town Hall cut the Monday evening story hour, but the preschool version continues, with Susan Chadwick and Andrea Burzon, on the second and fourth Thursdays at 9:30 a.m. An easel board was bought for this and other library programs, and for general Town Hall use. The library hours are 8-1, MWF.

The library trustees have met regularly. An early order of business was the adoption of a mission statement:

The mission of the Madbury Public Library is to augment the center of community life, and to enhance that life by:

- Encouraging free and open access to ideas and information in support of learning by people of all ages.
- Encouraging children's reading and learning by way of programs and services.
- Offering materials and programs which complement the interests of the community.
- Providing portals into statewide services and technological information sources.

The trustees have also set bylaws, consulted with librarians and state library personnel, attended workshops, and generally grappled with the problems of small funds, minuscule square footage, no employees, and too little prior knowledge. Offsetting these shortages have been plentiful and cheerful advice, dedicated volunteers, seemingly limitless supplies of donated books, and the Friends of Madbury Library. Heartfelt thanks are due to the Friends, anchored by Jean Bartell, Eileen Corrow, Lorraine Morong, Betsy Renshaw, and Peg Wolcott.

The trustees met with the selectmen in July to discuss library matters, and determined that the town hall library space was safe for the time being, and that some provision would be made if the library room had to be taken for another use. In addition, the selectmen agreed to consider use of the police station or fire station for the library after the safety complex is built, and everyone agreed that the eventual site of the library had to be on or near the civic district. The selectmen expressed willingness to consider the trustees' library proposals.

In November the board suggested the appointment of Eileen Corrow as alternate member, and soon after the selectmen made that appointment.

In December, the trustees visited the police station, finding that the space

could potentially house the library on an interim basis. In order for that to happen, shoring of the floors and building of disabled access would have to occur. Further study to weigh the costs and benefits must precede any decision.

Next steps would be to appoint a director, hire librarians, expand the collection, install a computer, offer programs, and participate in statewide library operations, but little of that can be done before the space problem is resolved. The aim is to resolve it, ultimately, with a building constructed as a library.

Toward this end, trustees placed the article on this year's warrant proposing the creation of a capital reserve fund for a library building. This fund, along with monies raised by the Friends for this purpose and any donations that might be made, would allow library construction at some future date.

In other money matters, the purchases of easel, shelving, and certain office supplies disposed of all but \$.64 of the year's budget. Also, a \$1200 Saul O. Sidore Foundation grant was received for the purchase of early readers and children's science books.

DURHAM AMBULANCE CORPS TOWN REPORT 2001

Description: The Durham Ambulance Corps is a private, non-profit, volunteer organization founded in 1968 in memory of Dr. George G. McGregor. The Corps provides 24-hour emergency ambulance service to Durham, Lee, Madbury and the University of New Hampshire. Staffed with volunteers, and a full-time Manager, the Corps has greatly improved its level of patient care from the minimal services of Advanced first Aid in 1968, to the various levels of Advanced Life Support currently provided. The Durham Ambulance Corps takes pride in over 33 years of providing some of the most sophisticated and progressive emergency care in the area.

In 2001 Durham Ambulance Corps responded to a record 974 calls, a 4.3% increase from 2000. There were 360 calls to Durham (36.96%), 290 calls on the UNH campus (29.77%), 226 calls in Lee (23.20%), 49 calls in Madbury (5.03%), and 49 calls mutual aid to other communities (5.03%).

Accomplishments in 2001:

- The safety of DAC Crews, patients, and the general public has been improved by installation of an Opticom traffic signal preempting device in the traffic lights at the intersection of Route 4 and Madbury Rd.
- Corps members continue to work with community leaders to plan for the future, including plans for future Corps housing, planning to meet increased call volume, etc.
- The biennial fund drive brochure was mailed in November to raise money for the McGregor Memorial Fund, for the purchase of non-expendable equipment, and the DAC Building Fund. As in the past, members of the community have been generous in their support. Donations are still being received. A membership drive is tied in to the fund drive.
- Options were researched for a new advanced cardiac monitor with capabilities of automated external defibrillation (AED) for EMT-Basics, manual defibrillation, cardiac pacing and 12-lead EKG for advanced providers, and vital signs monitoring. Two Lifepak 12 monitor-defibrillators were purchased and placed in service. All members have been trained on the use of the new units. The units were partially funded by the McGregor Memorial fund.

Objectives for 2002:

- Recruit more volunteer members, including EMT's and those who wish to serve in a non-EMT capacity (associate members), permanent area residents, and those wishing to pursue advanced EMT training.
- Expand members' knowledge by hosting an EMS Seminar for all members, and a leadership training session for interested members.
- Continue to work with Durham, Lee, Madbury, and University of New Hampshire officials to plan for future Corps housing and meeting the future EMS needs of the

communities

- Explore changes in Corps governing structure to reduce workload on individual Executive Committee members and streamline administrative functions. Consider change to Board of Directors with representation from community members.

We are grateful for the support of members of the communities we serve, the Durham, Lee, and Madbury Police Departments, and the Durham, UNH, Lee, and Madbury Police Departments. Anyone wishing more information about the Durham Ambulance Corps may call the station at (603) 862-3674 or visit our website www.dac.unh.edu

Richard Hayes
Executive Director

MADBURY CONSERVATION COMMISSION ANNUAL REPORT 2001

The commission continued its work on preserving and protecting the natural resources of Madbury with several projects in 2001. Working with the Planning Board and Strafford Regional Planning, a revision to the Natural Resources Section of the Madbury Master Plan was drafted to reflect our current environmental priorities. We also continued to further develop management plans for conservation properties either owned by or under easement to the Town. Our responsibilities to monitor Land Conservation Incentive Program (LCIP) properties in Madbury this year included developing a GPS generated boundary map of the Fernald easement boundary markers.

Commission members continued their activities in regional committees including; working with the six other member communities to develop a management plan for the 1350 acre Tamposi property in Barrington, assisting the conservation initiatives and water quality monitoring studies of the Oyster River Conservation Association, and supporting the Great Bay Watch educational programs.

We continued our efforts to acquire, or protect via easement, additional conservation properties within the town. In the past year our efforts in this area were not met with much success. Attempts to develop relationships with landowners of environmentally sensitive properties that we feel should be preserved in order to protect their natural features were met with minimal interest. We invite any interested landowners to contact us to discuss options for protecting and perserving the environmental, agricultural or open space characteristics of your individual properties. Our efforts will continue in this area as we strive to protect and preserve the environmental features that make Madbury a wonderful place to live.

Townpeople may feel free to bring their concerns, comments, and ideas to the commission, either by letter, email (nachijj@nu.com) or by attending our meetings on the fourth Monday of each month (7pm in the Town Hall).

Respectfully submitted,
John J. Nachilly, Chairman

2001 VITAL STATISTICS

Marriages	11
Births	18
Deaths	3

MARRIAGES

1/14/01	Ryan A. Bellabona of Lee and Stacey P. Shaheen of Madbury in Manchester
